

2020 VIRTUAL COMPETITOR GUIDE

WELCOME TO THE FIRST 7 CAIRNS MARATHON VIRTUAL RUN FESTIVAL

MESSAGE FROM JASON CROWTHER, RACE DIRECTOR, ATLAS EVENTS

When we opened entries for the 7 Cairns Marathon Festival, it's safe to say, none of us could have prepared ourselves for the changing landscape we are living in today.

Due to the COVID-19 pandemic, we were forced to cancel this event, but are offering a Virtual Run Festival to bring our community together at this time.

We are so grateful to all of our running community who have supported our decisions during these tough times, and we can't wait to see your results uploaded throughout race weekend. Stay safe and enjoy!

MESSAGE FROM THE MINISTER FOR STATE DEVELOPMENT, TOURISM AND INNOVATION THE HON KATE JONES MP

Welcome to the 7 Cairns Marathon Virtual Run Festival.

Message from the Minister for State Development, Tourism and Innovation The Hon Kate Jones MP

Welcome to the 7 Cairns Marathon Virtual Run Festival.

The 7 Cairns Marathon Virtual Run Festival will bring together the running community in a virtual environment, designed to keep participants focused on and motivated about their running goals.

COVID-19 is the biggest challenge we've ever had to face. But it's great to see the resilience and commitment of event organisers to ensure they can still bring the community together – ensuring that we continue to promote Tropical North Queensland to thousands of prospective visitors who are watching online.

Events are vital to the Palaszczuk Government's strategy to rebuild Queensland's economy and support local jobs long into the future. We're proud to support this event through Tourism and Events Queensland.

To all those participating in the event, best of luck and be sure to share your experience on social media to connect people around the world with the Queensland spirit.

FREQUENTLY ASKED QUESTIONS (FAQS)

Here are some FAOs which will help answer any questions you may have around the weekend.

- Q. I already signed up for the 7 Cairns Marathon Festival before the COVID-19 impact, will I be automatically transferred to the virtual run?
- A. No. This is a separate event requiring a separate sign up. If you were registered for the physical event, you will have either opted for a refund (minus \$10 admin fee) or transferred to 2021.
- Q. Can I transfer to another distance?
- A. Yes, please contact info@atlasmultisports.com.au prior to September 18 to transfer to another distance.
- Q. I can't run on September 19 or 20. Can I still take part in the virtual run?
- A. Yes, ideally we would love you to run (virtually!) with the wider virtual community over the weekend of 19 and 20 September. However, we appreciate that with differing restrictions in place, this may not work for you. Just ensure you run and upload your result over race weekend, before midnight on Sunday 20 September
- Q. Is there a time limit/cut off for any distances?
- A. The cut offs we ordinarily have in place are due to road re-opening requirements. There are no cut offs for the virtual run take on the distance at your pace!

- Q. What if my Government guidelines restrict the time I'm allowed to exercise outside?
- A. If this is the situation, you will be able to complete your run over multiple days. Just keep a record of each run and upload your combined time before midnight on Sunday 20 September. We realise this may not be ideal, but we are keen to allow as much flexibility as possible for you in these unprecedented times.
- Q. Can I run this anywhere?
- A. Yes, this is a Bring Your Own Course run! Please ensure you're running within government guidelines; but the choice of course is yours.
- Q. Can I run this on a treadmill?
- A. Yes, absolutely. Simply complete the distance and manually upload your final time to the results page
- Q. I'm worried about social distancing and the virtual run. Is it safe?
- A. We have devised this virtual run alternative due to the government restrictions on mass gatherings, and the need for social distancing at this time to prevent the spread of COVID-19 in our community and beyond. For this reason, we ask that you complete your virtual run alone, or within your local government guidelines. That being said, the idea behind this is connecting our community, so while you may be running alone, please remember, you are running as part of our Brisbane community. You will feel this through community based initiatives such as a real time race feed; live updates across the weekend and live timing results. We will be actively using our social media networks to follow and share your runs make sure you join in if you can! Wherever you run, we ask that you please follow local Government guidelines at all times.
